  - e. None of the above.

### ANSWER TO THE ANALYSIS QUESTION

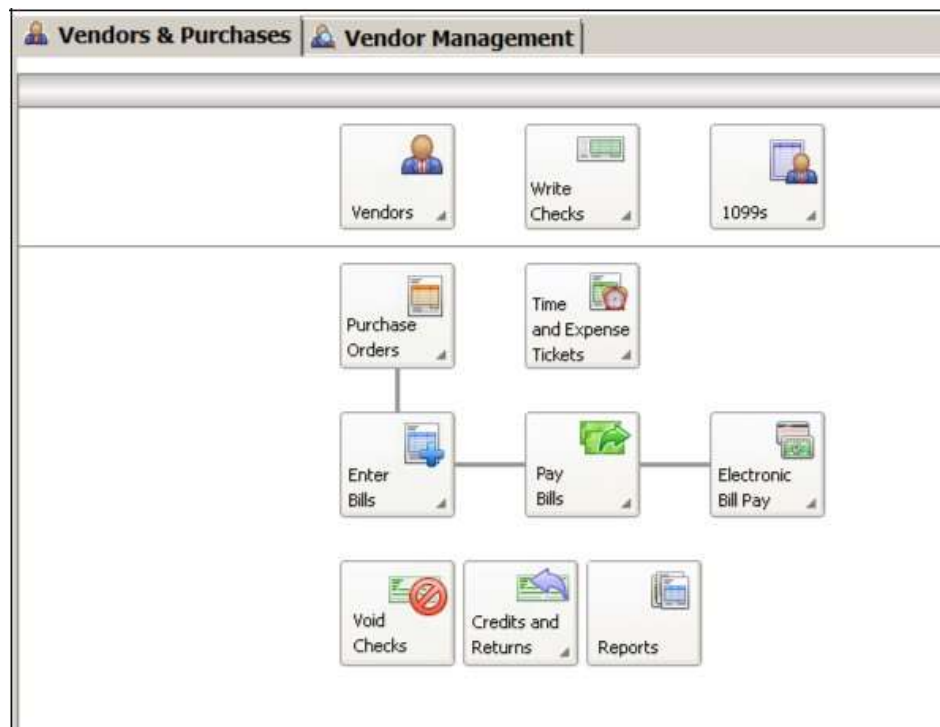

With the Vendors & Payables Navigation Center serving as the starting point to perform tasks related to Accounts Payable, list five Vendors & Purchases Tasks.

Briefly describe the Vendor Management tab.

ANSWER:

The Vendors & Purchases Navigation Center displays information and access points related to the company's vendors and purchases.

- 1) The Vendors & Purchases Tasks provides a graphic representation of the flow of vendor-related tasks, as well as access to those tasks. It also provides access to windows where you enter/maintain vendor information.

- 2) A summary of vendor information; for example, link to View Detailed List.
- 3) Access to vendor reports. For example, a link to View All Vendor & Purchases Reports.
- 4) An overview of the company's aged payables. You can also link or drill down to various areas.
- 5) Peachtree solutions include drill down to Checks & Forms and Online Bill Pay.

On the Vendor Management tab, you can see lists of information regarding transactions and history for a particular vendor, including purchase orders, purchases, and payments. This is where you want to go to see information about a particular vendor.
